

WELCOMES YOU TO SUGARING WITH THE *Vermont Evaporator Company Maple Syrup Starter Kit*

The kit you've just received is specially designed for the beginner DIY maple syrup maker. In this box, you will find:

- 5 Aluminum Buckets with Lids
- 5 Aluminum Spiles
- 1 Tapping Bit
- 1 Maple Syrup Finishing Thermometer
- 1 Maple Syrup Filter Kit
- 1 Copy of "Backyard Maple: A Guide to Making Syrup at Home"

Your Backyard Maple guide contains everything you need to know to use and care for your new equipment, and to find success and fun in your new hobby.

Happy Sugaring!
