

**WELCOMES YOU TO THE *Sapling Grill Cover***

The grill cover you've just received is specially designed to fit the *Sapling Evaporator* and *Sapling Everything Grill*. The *Sapling Grill Cover* resists cracking down to -20 degrees Fahrenheit, is UV resistant, and was designed and made here in the U.S. of A.

To use, wait until your *Sapling* has cooled. To care for, wash with a mild detergent and air dry.
